Mailing List Request Form

The *Southwest Statistical Summary* is published monthly by the Southwest Regional Office of the U.S. Bureau of Labor Statistics. The release reports information on Consumer Price Indexes for the U.S. City Average, Dallas-Fort Worth, and Houston. It also contains selected series on labor force and nonfarm payroll employment by industry for Arkansas, Louisiana, Oklahoma, New Mexico, and Texas. A listing of new reports and studies of regional interest is presented on the back page of the release.

This service is free of charge. Simply fill out the information below and return by fax to the Economic Analysis and Information Unit at (214) 767-3720.
